Santa Rita Abbey is a Cistercian monastery, a school of charity and of the Lord's service. We follow the Rule of St. Benedict with its balance of prayer, work and sacred reading shared in a monastic community.

It is a place where love of God, neighbor, and all creation come together in a life of prayer, sincere conversion, humble service, simplicity and joy.

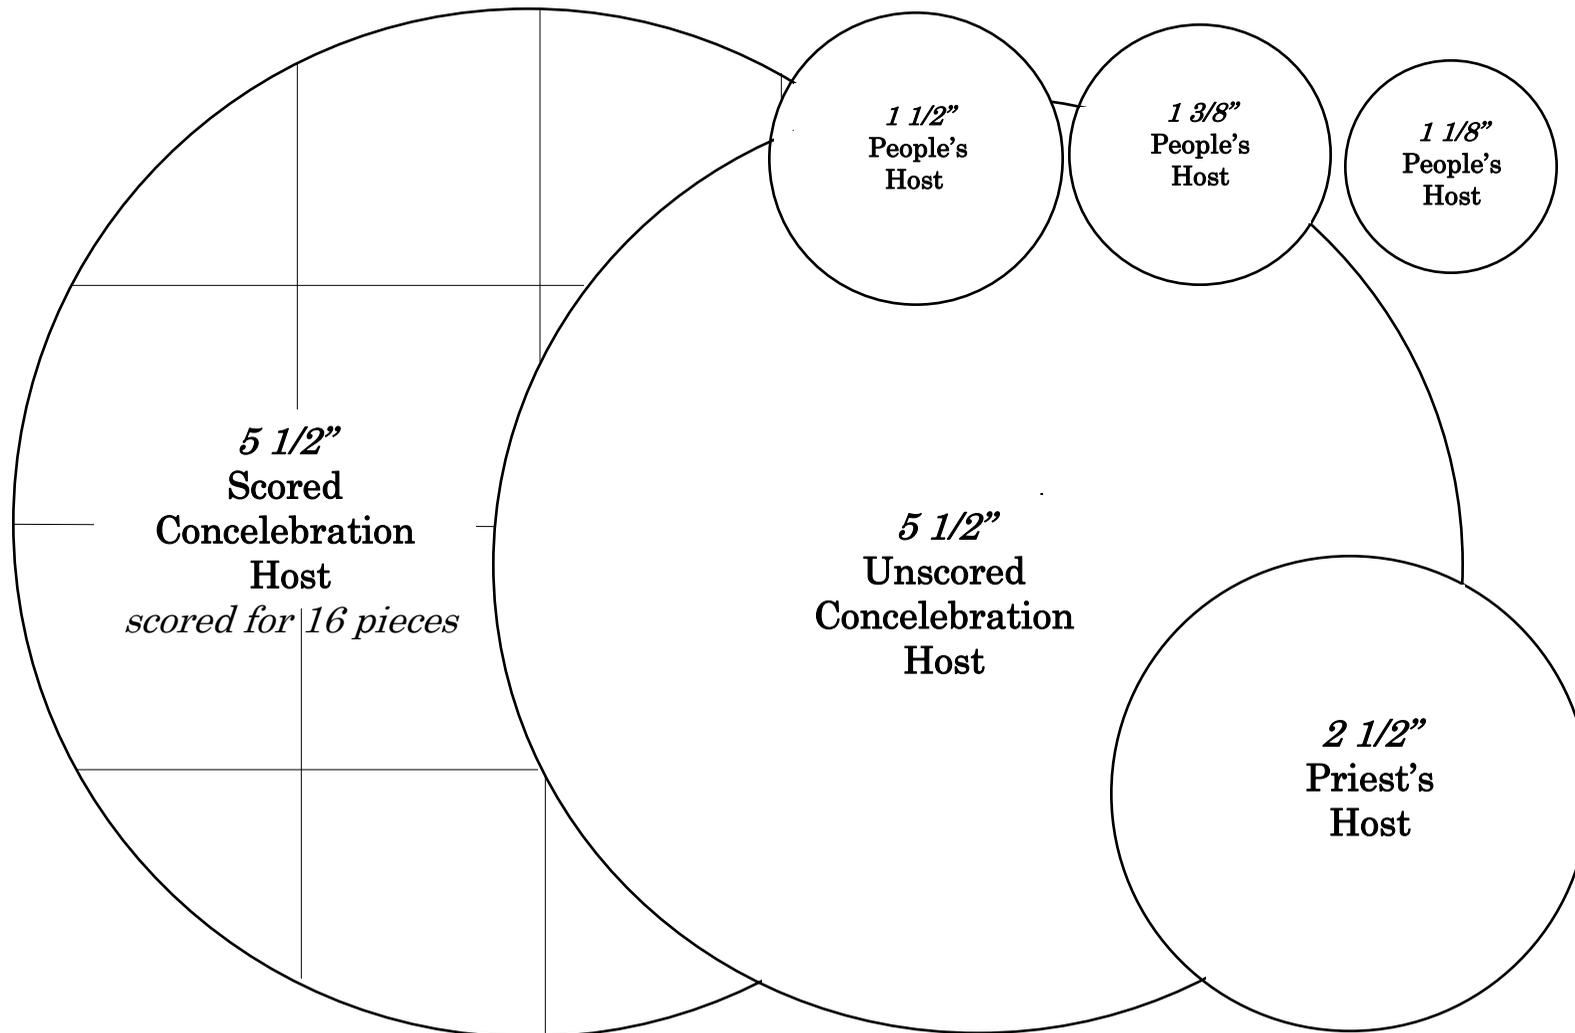

We were founded in 1972 in the high desert of Southern Arizona, a land of wide vistas and large sky where our monastery nestles in the foothills of the Santa Rita Mountains.

Our work at the altar bread bakery provides our daily sustenance, and unites us at a very deep level with the people of God.
